Forest Adams, who has been working in Bingham for some time, is home visiting with his mother, Mrs. John O. Adams.

Wm. Spicker in Concert

American Fork has been fortunate in securing the wonderful young violinist, Wm. Spicker in concert, who recently graduated from the Leipzig Conservatory, assisted by S. E. Clark, pianist.

Mr. Spicker plays all the violin compositions by the great masters with ease, a wonderful tone and an excellent technique.

The Desert News says: "He rendered the solo Lolo's Symphony, Op. 2, and acquitted himself admirably."

The Morning Examiner, Ogden: "Mr. Spicker's two violin numbers were well received. He has had excellent training under Hilt and Nickisch in Leipzig, and is one of the leading violinists of the west, for he plays with the grace of a Sarasate and the intelligence of Kreisler."

Inter-Mountain Republican: "The feature of the evening was the violin selections of Wm. Spicker."

Daily Utah Journal: "Mr. Spicker's violin work showed him one of the best violinists of the rising generation in the United States."

Logan Republican: "In the three soulful movements of the Mendelssohn Concerts, Mr. Spicker, by masterly playing and the beauty of the material, got everyone under the charm of his music."

U. A. C. Student Life: "Mr. Spicker's playing looses nothing in comparison with the best because he is one of the best."

At Apollo Hall, Tuesday evening, September 1st—(Adv.) 11

Three Cars of Ore Shipped This Week

Canyon Properties Are Looking Fine—Others Will Ship Next Week.

Three cars of ore from American Fork canyon were loaded for shipment to the smelters this week. Messrs Armstrong and Grantham loaded out a car Wednesday from their lease on the Yankee. Messrs E. G. Dean and Wm. Marshall came down Tuesday from Silver Lake with two loads of ore which completes a carload lot from the North Star mine, and Ike Wadley came down Wednesday with the last load for a carload shipment from his lease on the old Miller mine, which was loaded at Pleasant Grove Thursday. Others will follow next week.

The Bay State continues to be the center of interest because of the widening and apparently growing permanency of the vein. George Tyler and son are sacking from 6 to 25 sacks of high grade ore per day. The ore in the face of the workings looked almost like a winding tape worm, but indications are that it will grow more solid with developments. Considerable stock has been changing hands locally, and many local people will be made rich if it develops into a paying mine. Ben Farrer pronounces the Bay State to be the most promising property in the canyon. Some miners think that the Bay State is an extension of the old Dutchman vein.

John Grantham, interviewed regarding the Yankee on a part of which he and Mr. Armstrong have a lease, says that this property has the best indications of making a big mine of anything in the canyon. He is sorry that his lease runs out in January, as it will be impossible to take all the ore out by that time. He thinks that he is on the top of a big body going down, and that this body should be developed by extending a lower tunnel 350 feet, when it would probably be lapped at a depth of over 300 feet. His lease, however, went per month of this plan of development, so the two Jacks will continue to dig the ore out of the water till January 1st. They will not return to the canyon till after returns are received from the shipment.

Frank Daniels and Fred C. Raabe, who have a lease on Uncle Jesse Knight's Mineral Flat, are working in the main tunnel, about 1200 feet from its portal. This week they encountered a fine streak of iron-lead sulphide ore that is widening out with development. The ore is making between the fissure and a black shale and apparently is worth about \$50 per ton. They are now making an upraise on the ore which is over 1000 feet perpendicular from the surface. Messrs Daniels and Raabe are also prospecting a promising vein about 1500 feet in the tunnel.

Republican Delegates

At the Republican Primary held in the City Hall Tuesday, August 25th, the following delegates were elected: Congressional Convention:—Reed Gardner, J. Tracey Wootton, W. D. Edmonds, Marion Nicholes. Alternates—Mrs. W. D. Edmonds, Stephen L. Anderson, Mrs. Reed Gardner, Mrs. Wm. Chipman. State Convention—S. L. Anderson, Mrs. W. D. Edmonds, J. Tracey Wootton, Mrs. Willis M. Bromley. Alternates—Len C. Henroid, Wm. Chipman, T. S. Broadbent, George Nicholes, F. M. Houston, F. M. Brown.

After the primary, the Young Men's and Young Ladies' Republican clubs met in joint session and enjoyed the following excellent program: Instrumental—Miss Rosa Durrant—two numbers. Quartette—Marion Nicholes, et. al.—two numbers. Vocal—Reneid Nicholes. Reading—Miss Ora Chipman. Remarks—John H. Wootton. Vocal—Dorothy Chipman. Next meeting of the Young Men's Republican club Tuesday, September 8th.

Helpful Words

From a Utah County Citizen.

Is your back lame and painful? Does it ache especially after exertion? Is there a soreness in the kidney region? These symptoms suggest weak kidneys. If so there is danger in delay. Weak kidneys get fast weaker. Give your trouble prompt attention. Doan's Kidney Pills are for weak kidneys. Your neighbors use and recommend them.

Read this American Fork testimony. Mrs. E. E. McBride, East County Road, American Fork, Utah, says: "I had pains through my loins and the kidney secretions bothered me. I was troubled by dizziness and often specks seemed to float before me. I know that my kidneys were not doing their work as they should. When I heard about Doan's Kidney Pills, I began using them. They soon relieved the pains. I had no more dizzy spells and the action of my kidneys was regulated."

Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McBride had. Foster-Milburn Co., Props., Buffalo, N. Y.
